Steps Followed:

- 1) We acquired Apache Spark service in Bluemix.
- 2) For Analysis we used the SAT score datasets.
(<http://www.cde.ca.gov/ds/sp/ai/>)
- 3) We analyzed the mean Sat scores for Verbal, math and writing section over the years (2009-2013).
- 4) We plotted graph and pie chart for them using various queries.
