Steps Followed:

1) We acquired Apache Spark service in Bluemix.

2) For Analysis we used the SAT score datasets.
   (http://www.cde.ca.gov/ds/sp/ai/)

3) We analyzed the mean Sat scores for Verbal, math and
   writing section over the years (2009-2013).

4) We plotted graph and pie chart for them using various
   queries.
